KARA KLEFOS

UX/UI Designer

Creative and strategic UI/UX Designer with a decade of experience in luxury retail, alongside brand content creation, leadership, and hands-on website updates. Passionate about visual storytelling and intuitive design, blending a sharp eye for detail with a data-informed, user-first approach. Formally trained in UI design and frontend development, with experience in AI data analysis and cross-functional collaboration. Known for asking “why” to ensure every design decision serves user needs, business goals, and brand integrity. Seeking a role where thoughtful design, meaningful interactions, and emotional resonance intersect.

Experience

● Senior Stylist

Stitch Fix Inc.

Aug 2020 - Present

- Curated personalized clothing selections tailored to clients' preferences, fit, and lifestyle by leveraging data-driven insights and trend forecasting to enhance customer satisfaction and retention.
- Delivered detailed client feedback to improve algorithm accuracy and refine product offerings.
- Ranked in the top 7% of stylists, earning a performance-based bonus for exceptional stats while delivering a top-tier client experience.

● A.I. Researcher

Appen

Aug 2023 - Dec 2024

- Collected, annotated, and analyzed data to enhance machine learning models for NLP, computer vision, and speech recognition.
- Conducted research and evaluations to improve AI accuracy, efficiency, and real-world applicability.

● Manager, Head of Social Media, Buyer

Second Summer Bride

July 2019 - July 2020

- Led and mentored a team of 12, driving sales growth through strategic initiatives and personalized coaching.
- Analyzed customer purchasing patterns and adjusted inventory accordingly, reducing stockouts and increasing sales.
- Directed all social media strategy, photography, and copywriting - growing the brand's local presence. Boosting Instagram profile visits by 40% and more than doubling followers, earning recognition on Bridal Musings for curating an exceptional brand presence.
- Managed all aspects of operations, from styling and customer service to inventory buying, consigning, and content creation, ensuring a seamless and profitable business.

● Shipping and Receiving Manager, Stylist

Blush Bridal Lounge

July 2016 - July 2019

- Managed all shipping, receiving, and inventory for a high-end bridal boutique, ensuring accuracy, efficiency, and seamless logistics.
- Oversaw merchandise flow, coordinated vendor shipments, and implemented organizational systems to improve efficiency.
